

FARRYN
SAHEL ARVAND

SHIPPING AGENCY

Who we are

Farryn Sahel Arvand, formally known as Farryn, is here to provide Container Shipping agency services.

In addition to the mentioned agency services, we are here to offer total logistics services to our customers in every port and inland area of Iran.

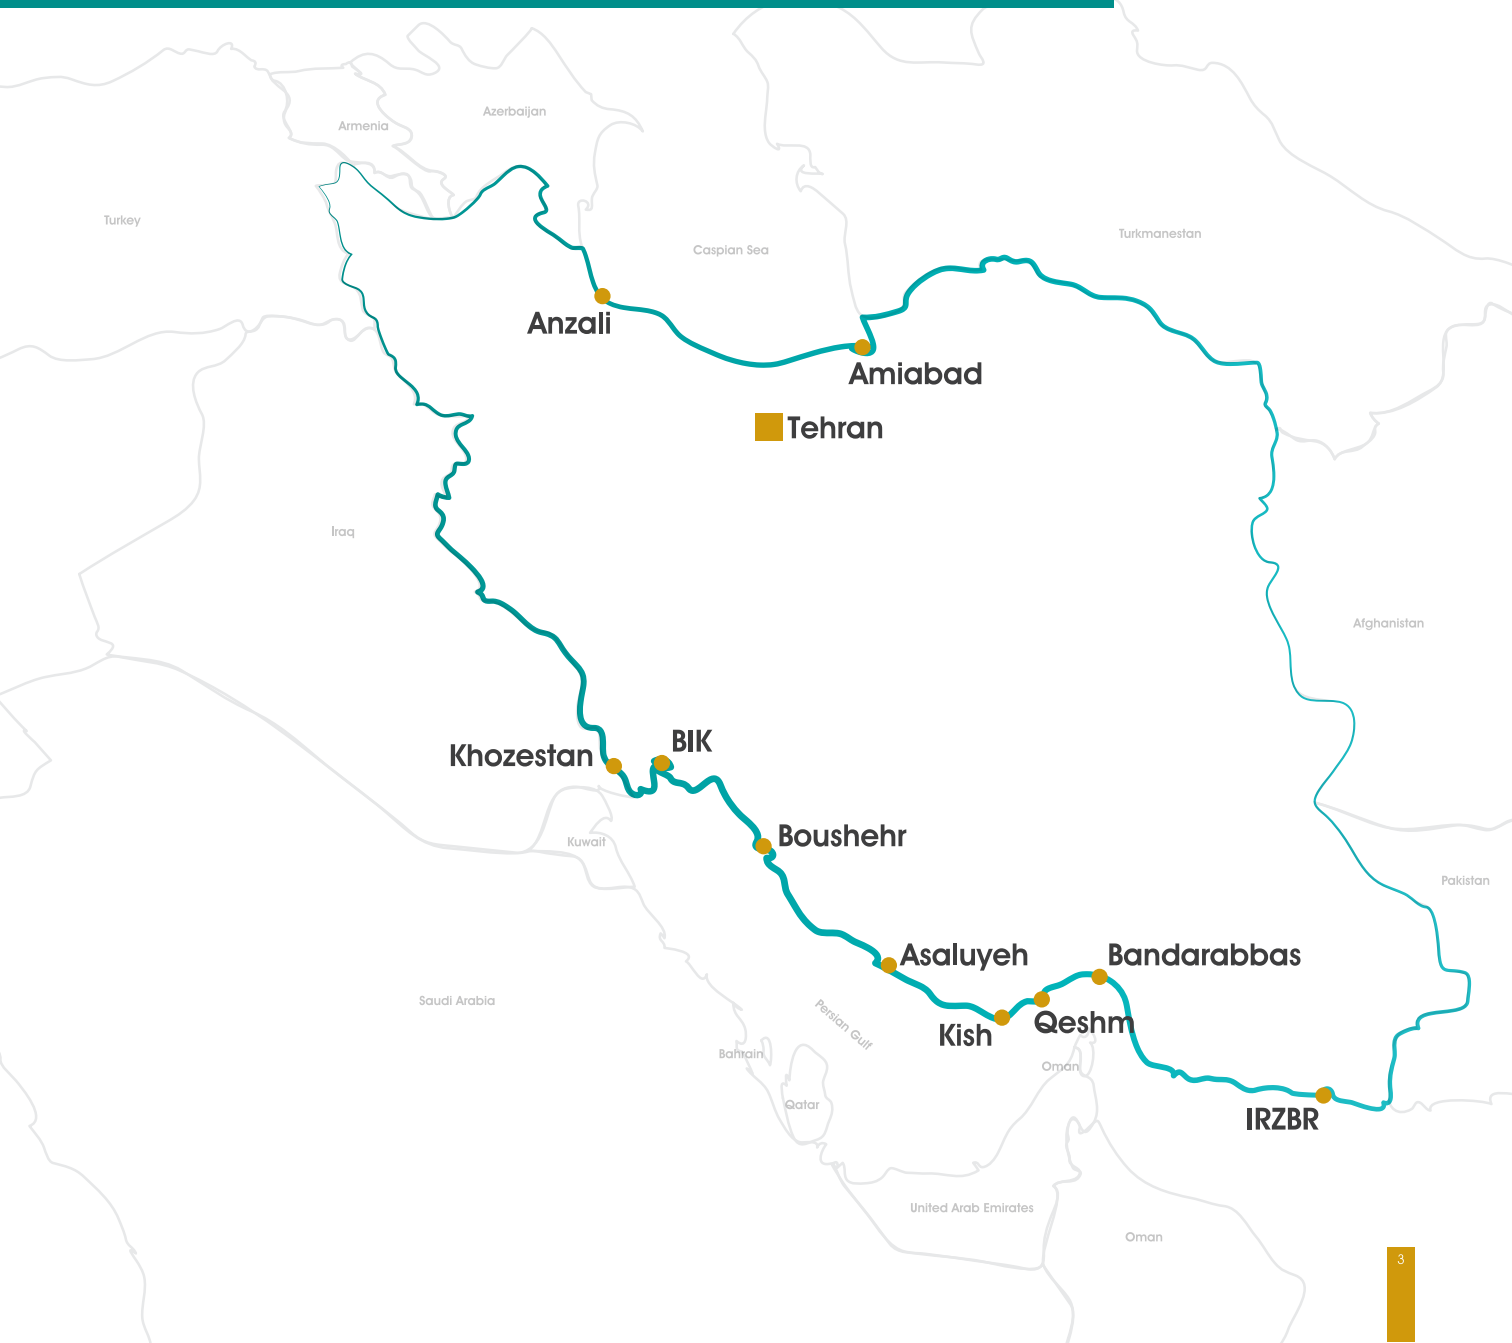

Our head office is located in Iran's capital, Tehran, and our branches are based all around Iran.

To provide our customers with the best experience, we have teams of experts standing 7/24 to ensure the quality of our customer's experiences.

Farryn also has strong relations with local port authorities, Customs, Immigration, and other relevant agencies; therefore, we can provide a smooth and efficient experience with our services. Our goal is to provide each customer with high-quality service and ensure smooth delivery all around the globe.

Our Branch Offices/our location

Our Advantages

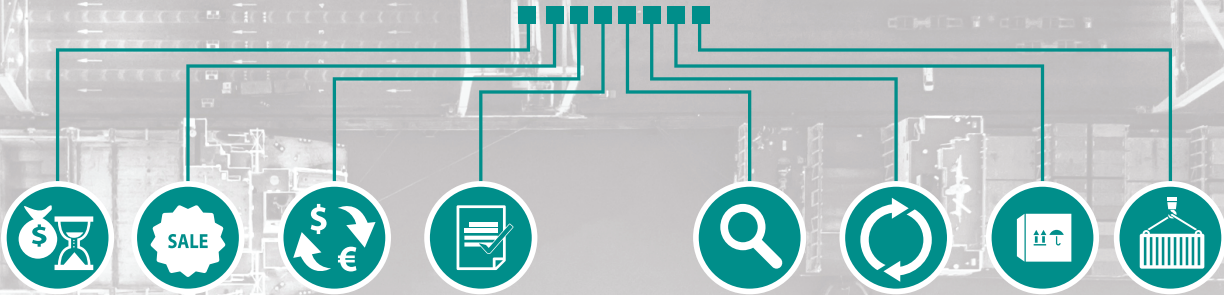

- Professional and reliable team
- We value your comfort, so we offer 7/24 customer support.
- Our agency runs on principles we are worth your trust.
- Good cooperation with feeder operators and international shipping companies gives our agency a competitive edge.

Our services

Farryn services

● LINER SHIPPING/ NVOCC AGENCY

Our services in this area are aimed at saving our clients from complicated administrative processes, which means saving them time and money through efficient services made available to them.

We have a market research team to identify potential customers for any trade route, whether it is an inbound service to Iran or an outbound service from Iran.

With a network of offices throughout Iran, we can generate a large volume of domestic and foreign cargo.

In Farryn, we offer a range of services for liner shipping operators and NVOCC operators:

- Local Marketing and Sales which leads to entering the local market
- We have Relations with Exporters and Importers
- Container control, inventory tracking, and repair site monitoring and daily reporting to supervisors

EDI solutions for greater efficiency and control

- Market tracking and lead generation
- Being updated on the latest conditions at ports/terminals
- Regional transportation and logistics services
- Cargo & Claims handling

Our goals and objectives

- Offering our high-quality services beyond limits
- Shipping in the shortest time with reasonable prices
- Expanding maritime shipping worldwide
- Customer satisfaction
- advancing global business by considering customers' needs, anticipating challenges, and using expert forces.

With Farryn,
3 Way Is Away
